The Honorable John A. McCone Chairman U. S. Atomic Energy Commission Washington 25. D. C.

Deer John:

I went to let you know that I have looked over the Atomic Energy Commission's Twenty-fifth Semiannual Report which you were so good to send me.

The Report is interesting, especially the part partaining to the Second International Conference on the Peaceful Uses of Atomic Energy held in Geneva. I am forwarding it to some of my specialists here for their information.

With kindest personal regards.

Sincerely,

SIGNED
